Bell work:

Get out your necessary supplies and your signed syllabus...
then, to signal that you are ready, read your book!

**Step 1: Lets set up
your math notebook.**

**It needs a title page,
table of contents, and
unit 1 page...like
your science notebook!**

**On the very first page,
write in big letters:**

6th Grade Math

**Your table of contents
will be 6 pages, just
like your science
notebook.**

On the next page write

**Unit 1: The Number
System**

Place Value

1,000,000

**What is
this
number?**

100,000,000

Lets break it down by place value

— — —, — — —, — — —

Its similar with decimals

— — — ' — — — ' — — — ' — — — — — — — — — —

However, one main difference is that decimals skip the ones place.
