The background of the slide is a solid blue color with a repeating geometric pattern. The pattern consists of overlapping circles and arcs that create a series of four-pointed star shapes and diamond-like voids. The colors range from a medium blue to a slightly lighter, almost white, blue at the points of the stars.

## Math 6 Study Guide

Name: \_\_\_\_\_

Class: \_\_\_\_\_

1) Be able to order decimals from Greatest to Least and from Least to Greatest.

a. Example: Order from Greatest to Least

3.35, .0025, .025, .065, 2.25, 5.30

2) Be able to add and subtract decimals and large numbers

a. Example:  $300 + 362$

b.  $453 - 400$

c.  $150.8 + 390.945$

3) Be able to multiply large numbers and decimals.

a. Example  $365 \times 25$

b.  $365.25 \times 25.5$

4) Be able to divide large numbers using long division

a. Example: Divide 350 by 5.

b. Divide 2225 by 15

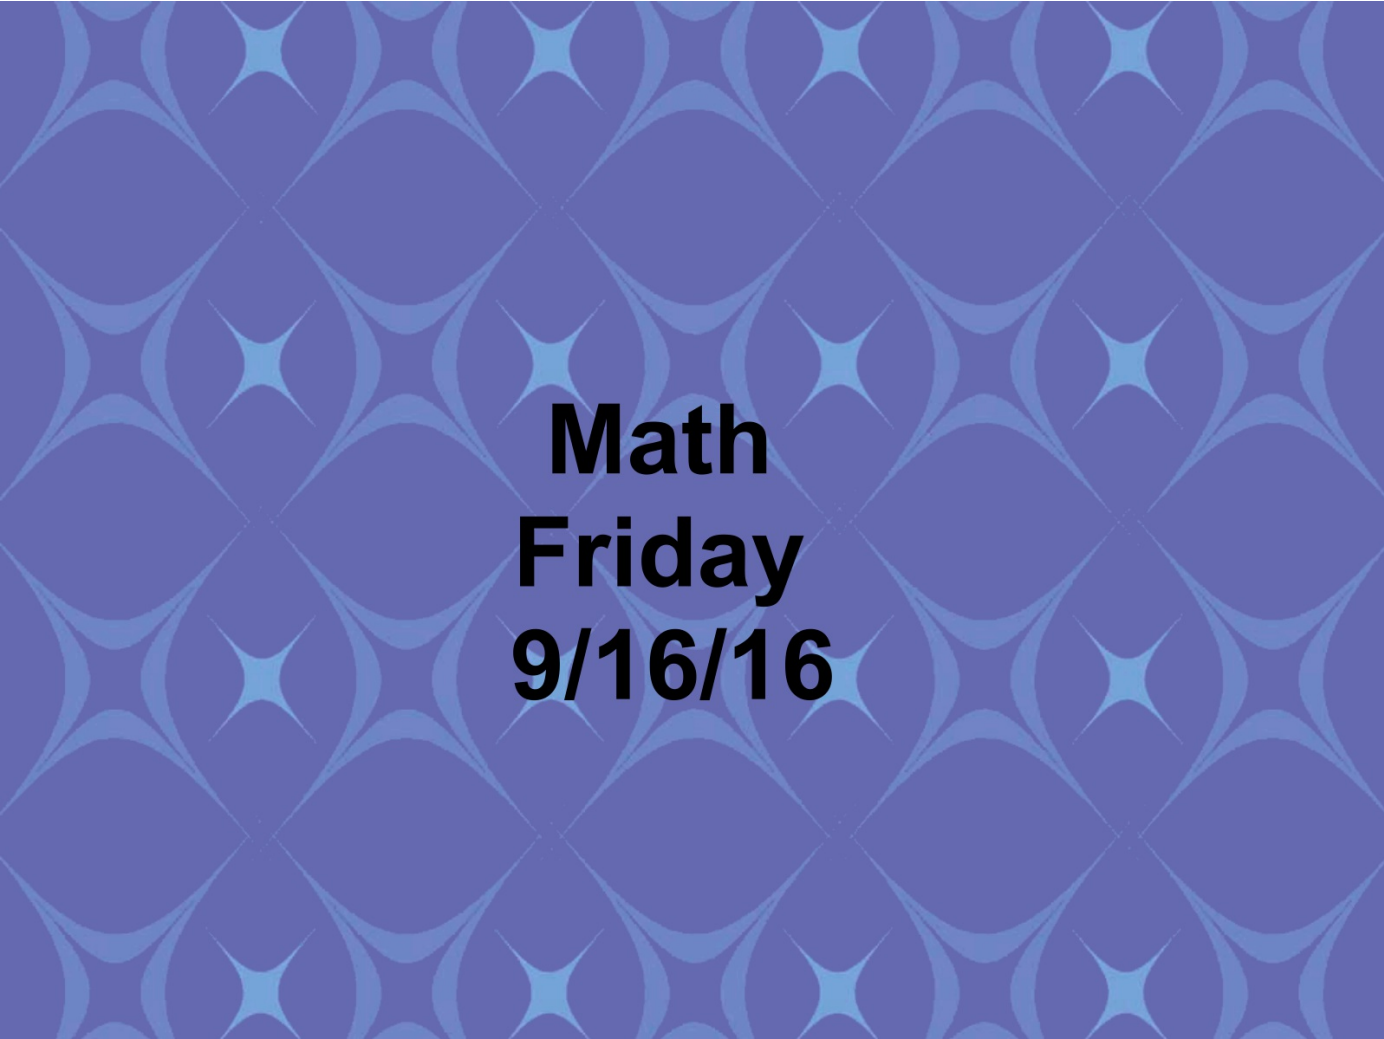

c. Divide 550.5 by 2.5

d. Divide 7.605 by 0.9

5) Be able to answer word problems that were on the homework

---

a. Example: Brittney made a pitcher of lemonade for dinner that contained 128.5 ounces of lemonade. After dinner, there were 18.25 ounces of lemonade in the pitcher. How much lemonade did they drink at dinner?

The background of the slide is a solid blue color with a repeating geometric pattern. The pattern consists of overlapping circles and arcs that create a series of four-pointed star shapes and diamond-like voids. The text is centered on this pattern.
